Pastor's Notes

There is a very interesting verse in Proverbs 22:6. Train up a child in the way he should go and when he is old he will not depart from it.

The most important Hebrew word is "derech" or the phrase "in the way". It is talking about your lifestyle. What are your values? If through our conversations and conduct we teach our children that we live a life of integrity and faithfulness, they will desire that same kind of life.

We desire to set our children on a path that will give them a good moral character.

Ultimately our children will choose their own lifestyle and path in life. Our job as parents, school, and church is to start them down the right path and with the Lord's guidance see they become solid citizens that will make us all proud.

The end of the verse says that when they are old they will not depart from it. It is our belief that together we can find "the way" for each one or

your children. Let us work together to instill the faith, values, and lifestyle from which they will never want to depart.

DIRECTOR'S NOTES

The holiday season is upon us and we are practicing for our Christmas program. Please have your child at school by 8:00 every morning.

We will be having our Thanksgiving Feast on Wednesday, Nov. 22. Please bring your child/family's favorite dish for this feast. Parents and grandparents are invited to join us. A sign-up sheet will be posted about a week before the lunch.

The field trip for this month is to the Kapolei Fire Station on Friday, Nov. 17. We will be eating lunch at Kapolei Regional Park. Parents are invited to attend. Be sure we have your TB clearance in our office by that day. Children need to wear their school T-shirt and shoes. Please pack your child's lunch in a plastic or paper bag.

As your child's first teacher, practice the alphabets, numbers, and colors with your child. Spend some time each day reading a book to your child. These are the best years to start your child on the road to literacy.

We will be closed on Friday, Nov. 10 in observance of Veterans Day and on Nov. 23 and 24 for the Thanksgiving holiday.

I don't know if your children told you about the apple and vegetable tasting we did at the end of September and the beginning of October. Some children preferred the sweeter apples while others liked the sour ones. But all unanimously agreed they rather have apples than vegetables!

Have an awesome month!

Palisades Baptist Church welcomes each of you to join us on Sundays for:

8:30 a.m. - Fellowship breakfast

9:00 a.m. - Sunday School

There's a class for every age.

10:15 a.m. - Worship

Canned Food Drive

We will be having a Canned Food Drive during November.

We will be collecting canned goods from Nov. 1 to 17. Your donation will be greatly appreciated. We will be giving the food to families who are having a difficult time this holiday season.

Miss Sharon's Class News

Hello Parents:

The weather is changing and the days are growing shorter. I can tell that November is here already. This month we will be learning about Fall and Thanksgiving. I have a homework assignment this month. The assignment is to make a Fall Tree with your child. You can use any size paper and any kind of art materials. You can make it with construction paper, paints, crayons, or stencils. Have your child help you complete it and turn it in by Friday, November 13.

We are attempting to learn a letter each week. We have learned letters A-D in September and October. Please review these letters with your children at home. We are also working on our shapes, colors, and numbers.

If you have any old costumes, please help us by donating them to our school. The children love to play dress up in them, and we could use some new ones. Also, we are looking for old magazines and catalogs as well.

Thank you,
Sharon Ishii

Mrs. Soberano's Class News

Hello Parents,

We see a lot of colors, from pumpkins to the assorted fall colors in the grocery store to the different colors of apples. Our themes this month will be on 'Fall' and 'Taking Time to be Thankful.' To have the children experience the changes that Fall brings, we will read, taste, show, smell, and gather as much resources, books and activities to increase the children's awareness of Fall. We will also teach them to be thankful for all He has given us whether they are large or small.

I am looking for old game pieces or old games to use in my classroom. If you have anything you would like to donate like Monopoly, Scrabble, etc. it would help the children learn their letters and numbers and following directions of the game. Thank you!

Happy Thanksgiving!

Jeanine Soberano

Units for November:

Discovering Fall

Purpose: To help children grow in appreciation of God's gifts. This study will help preschoolers become more aware of seasons and that fall, winter, spring, and summer follow in sequence.

Bible Story: Ruth Gathered Grain

Bible Verses: "God sends the autumn." (Jeremiah 5:24)

"Everything God made is beautiful." (Ecclesiastes 3:11)

Taking Time to Be Thankful

Purpose: To help children become aware of God's love and care; to know Thanksgiving is a special day we celebrate; and to help children understand that church is a special place where we learn about God and Jesus. To help them thank God for our homes, food, and clothes.

Bible Story: A Man Thanked Jesus

Bible Verses: "God gives food to us." (Psalm 136:25)

"Say Thank You to God." (Psalm 133:1)
